Res_sample_locs_update.pdf

Greg,

Attached is a revised map, per your email below. Let me know if this will work for you, or if you want me to make any additional changes.

Subject: Map of homewells

Dave, can you have the homewell map modified to show only the four wells we sampled yesterday, and to remove the address labels for the wells? I'd like to have that so I can release the info to several people who have asked about where we sampled.

Thanks,

Greg
